Meeting the Needs of Our Time

Accola's mission - to welcome neighbors, cultivate community, and foster justice - was adopted directly from our founders, the Sisters of St. Joseph of Carondelet. This mission remains our compass. Everything we do at Accola grows from the Sisters' traditions of inclusion without exception and bold action for justice.

Your sponsorship fuels education, healing, housing, and belonging for hundreds of women and families each year, and supports spiritual understanding that catalyzes bold social justice action.

Sponsorships support Accola's three programs:

- **Learning In Style School**, where adult learners gain language, digital, and citizenship skills;
- **Sarah's... an Oasis for Women**, where immigrant women find safety, housing, healing, and community
- **Wisdom Ways Center for Spirituality**, where individuals and groups deepen their spiritual lives and advance justice.

Your Sponsorship + Accola = Impact!

Sponsorship of the Impact Breakfast is more than an event partnership, **it is an investment in justice made real through compassion.**

Your support sustains safe housing, educational opportunity, and community resilience, while demonstrating your commitment to a future where neighbors are not left to navigate hardship alone.

Your sponsorship not only sustains the work we are doing today— it helps shape a future where Accola will continue to welcome, support, and uplift our community for generations to come.
